PBFI - PERFORMANCE BASED FARM INSPECTION

Changes have been made that will allow us to change farm category without needing to issue a Notice of Reinspection

- This will start with the re-categorization that will be taking effect August 1, 2023
- At last count it could affect around 75 farms
 - 14 farms since last re-categorization event
- Need to determine how far back we will look
 - 20 from 2/1/23 - 4/30/23 29 from 11/1/22 - 1/31/23 12 in 10/22
- Will communicate with impacted farms

Sub-committee will have a report later in this meeting

WHAT WILL THIS LOOK LIKE?

Any farm that had >5 violations in October 2022 will see no change

February 1, 2023 Re-categorization 29 farms

Inspection mid December 2022 had >5 Once a year status
Should have been inspected in April 2023 and August 2023
Will leave this farm on its established schedule (Dec 2023)

Inspection mid January 2023 had >5 Once every 6 month
Had an inspection in July - This will be counted as late for the May 4 month
Will conduct an inspection in November 2023 (4 months from July inspection)
